## An ISO 9001 : 2015 Certified Company

### About Us:

Newtek Electricals began as Wintek Electricals Pvt Ltd - an Indo-Spanish collaboration in 2005. The blend of technical expertise and innovations inherited from the collaboration have been instrumental in creating the core foundation of Newtek's capabilities.

Newtek Electricals is the first company to introduce nylon flame retardant casing current transformers in India, and the product is now exported to other countries as well. While meeting high demand for quality, the company has developed a reputation for continuously upgrading its technology, and delivering world-class products.

Today, Newtek Electricals has emerged as one of India's leading manufacturers and exporters of CT/PTs in resin cast and nylon casing & Control Transformer.

## TAPE WOUND CURRENT TRANSFORMERS

### NETW 20
